“This status is a gift given to humanity from which springs a vocation to represent God to the world. The *imago* is more of an identity, a God-given foundational reality out of which we understand ourselves as belonging to God and distinguished from the rest of the created order...God is a generous Creator who adopts humanity as royal children and invites them to participate in his reign over the world.”

Michael Bird

## God created us to create

*They said to each other, “Come, let’s make oven-fired bricks.” (They used brick for stone and asphalt for mortar.)*

Genesis 11:3

## Humans use creations for evil

*And they said, "Come, let's build ourselves a city and a tower with its top in the sky. Let's make a name for ourselves; otherwise, we will be scattered throughout the earth."*

Genesis 11:4

## **God's will will always be done**

*So from there the Lord scattered them throughout the earth, and they stopped building the city.*

Genesis 11:8
